Planned Resource Adequacy Assessment (PRAA) Requirements Standard Drafting Team Nomination Form

Please return this form to anthony.jablonski@rfirst.org by **March 10th, 2008**. For questions, please contact either: Bob Millard bob.millard@rfirst.org at 330-247-3044 or Anthony Jablonski anthony.jablonski@rfirst.org at 330-247-3054.

Please note this drafting team will probably meet initially in March, 2008 to review the Planned Resource Adequacy Assessment SAR posted on the Reliability*First* website. The detailed meeting schedule has not been determined yet. It is expected the team will meet several times in 2008 including face-to-face meetings, as well as, meetings through various remote meeting technologies. **All candidates should be prepared to participate actively at these meetings.**

Proposed Standard:	Planned Resource Adequacy Assessment

Name: Organization: Address: Office Telephone: Mobile Telephone: Fax: Email:
Please briefly describe your experience and qualifications to serve on the Planned Resource Adequacy Assessment Standard Drafting Team. Previous experience working on or applying standards and/or SARs is very beneficial, but not a requirement.

NERC Reliability Region(s) your company resides in (check all that apply):	**My company can be categorized by one or more of the following. (check all that apply):**

☐ ERCOT ☐ FRCC ☐ RFC ☐ MRO ☐ NPCC ☐ SERC ☐ SPP ☐ WECC ☐ Not Applicable	☐	1 - Transmission Owners
	☐	2 - RTOs, ISOs, Regional Reliability Councils
	☐	3 - Small Load-serving Entities (Region of 10,000 GWh or less)
